

# August 2005 Chapter News

## Golf Reservations:

The enclosed form must be faxed to Vulcan Engineering—Kevin Crawford or Carol Bagony at (205) 663-9103 by Friday, August 19, 2005. Golf Registration may also be phoned in at (205) 663-0732. All foursome members must register separately. Cost is \$55 which includes green fees, cart, drinks on course, & lunch.

## Lunch Only Reservations:

Make your lunch reservation by contacting Tommy Horton @ (205) 655-2123 [fax] or (205) 661-0206 ext. 23[ phone] by Friday, August 19, 2005. Lunch cost is \$10.

## Tee Box Ads:

Tee Box Advertising is available for foundries & suppliers. This is a quality, color sign bearing your company name & logo. Cost is \$60 for this tournament. For \$100, a sign will be reserved for both golf outings (August & April). Contact Jarek Olszak (Reich Co.) @ (205) 655-2121 for details.

## **FROM THE 1st VICE CHAIRMAN**

- I would like to take this opportunity to welcome everyone back for the 2005-2006 Birmingham Chapter Year. I look forward to seeing each of you at the 2005 Ben Dunning Annual Golf Outing and Picnic. As always, it will be a good time filled with fun and fellowship.
- CMI (Cast Metals Institute) will be offering the following:  
Practical Metallurgy of Copper-Base Casting Alloys  
September 13-15, 2005  
Pickwick Hotel/University of Alabama - Birmingham  
Birmingham, Alabama

This hands-on, laboratory course is designed to give the participant a better working knowledge of how to use copper-base alloys in the foundry from a practical standpoint. The course includes a review of the copper-base alloys and their solidification characteristics, metallurgical quality control procedures, metallography, and copper-base alloy related defects. The issue of lead contamination is also discussed.

If you are interested in learning more about this program, or to find out how to register, go to the following site:

<http://www.afsinc.org/estore/ScheduleCourseSearch.asp?WebID=807>

- The AFS 8D Channel Induction Furnace committee is holding its next Mini-Conference on Channel Induction Furnace, and Pressure Pouring / Auto Pouring related topics, in Charlotte, North Carolina. It will be held on September 22<sup>nd</sup>, 2005. This meeting is being organized in conjunction with the AFS Piedmont Chapter monthly meeting/dinner to be held at the Embassy Suites .

The Mini-Conference will be on Thursday morning, September 22<sup>nd</sup>, 2005 from 8:00am. to 12:30pm. This conference is being offered to foundry personnel with the intention to give useful, practical information that can have an immediate impact on improving the melting practices in all foundries attending. There is a registration fee of \$19.00 for each individual attending the Mini-Conference only, in order to offset the cost of the conference rooms for future 8D mini-conferences.

All participants are welcomed to attend our 8D Channel Induction Furnace committee meeting on September 21<sup>th</sup>, in the afternoon. Also, individuals are invited to attend the other activities of the AFS Piedmont Chapter on the September 22<sup>nd</sup> and September 23<sup>rd</sup>, including the dinner on the 22<sup>nd</sup>. There are additional fees for the AFS Piedmont program.

For information contact:        Mr. David C. Williams  
AFS 8D Channel Furnace Mini-Conference Coordinator  
dcwilliams007@yahoo.com        (614)-529-1446

I look forward to seeing you on August 27th.  
Mike Petrus  
Chapter 1st Vice Chairman
