Camp Coleman Raffle and Fundraiser

As you are all well aware, our annual Ben Dunning golf outing and picnic are fast approaching. I'm also sure that everyone knows that this golf outing is named after the man who gave so much to our chapter. It was brought to the attention of the board that Ben's daughter *Laura Elliot* is the director of *Camp Coleman in Trussville*. Camp Coleman is a camp for the Girl Scouts of America. From time to time, Camp Coleman hosts girls that have special needs, such as requiring a wheelchair. The roads and trails at the camp are not paved, making it extremely difficult for children with special needs to get around. For this reason, last year we voted to provide a reliable means of transportation to address this need. Last year we raised over half of the funds needed and the board voted to go ahead and purchase a John Deere Gator cart.

The Birmingham Chapter will again be raising funds this year. The Chapter will also have an **area set up for donations** that will go **directly toward the purchase**. Let's all do our part to make this fundraiser a success and honor the man who meant so much to our chapter.

From the CHAPTER CHAIRMAN...

On behalf of all the Officers and Board or Directors...Welcome back! We hope everyone had a great summer and is ready for a fantastic year with the Birmingham District AFS...

Cahalan has planned our stellar season kick-off annual Ben Dunning picnic and golf outing, you won't want to miss this event of the year - Saturday, August 25th!

And Brian has been working tirelessly on planning a great year of technical sessions for us! With our first technical meeting of the year again held in September and a traveling meeting! Mark your calendar now for Monday, September 10th.

Again, we wish to thank all of those companies that so freely give to the chapter. Without their generous support we would not be able to award scholarships, promote our industry with programs such as 'foundry in a box', have the high caliber of technical meetings as we do... so whenever possible be sure to thank and support these generous contributors.

As well, the chapter is grateful to have a membership as generous as you... last year we started a campaign to raise \$6,500 to allow us to donate a four wheel cart to Camp Coleman to allow them to accommodate the special needs of their campers. Through the generosity of our members we raised \$3,357 of our goal. As you know, the board voted to go ahead and purchase a JD Gator and give to the camp this past April so they could use it this summer. As we go into our fiscal year we again call on your generosity to help us raise the remaining \$3,143... any donations are greatly appreciated, as are your ideas for fund raisers. Please feel free to contact me with your ideas and any donations... your help is greatly appreciated.

We look forward to a fantastic year, and it all starts August 25th at our annual kick-off picnic and golf outing... So mark your calendars, make your plans and come join in the fellowship and fun... be a part of the '**Best Chapter**' in all the land!

It is an honor and a privilege as your chairman to welcome you to a fantastic '07-'08 Year!!!

Kevin Crawford
