From the CHAPTER CHAIRMAN...

Congratulations to all our golf, bingo and horse shoe champions! And to the real winners of the event – the UAB student AFS Chapter thanks to your generous purchases of mulligans!

If you missed our annual season kick-off **Ben Dunning Picnic and Golf** outing you missed a great one! A big thank you goes out to Cahalan, her team and everyone that worked so hard on this event... You did the chapter proud, great job!

A heart-felt *thank you* also goes out to all the companies that bought tee box signs and donated the fabulous prizes and services... without your most generous contributions the chapter would not be able to put on the high caliber of event that we do... the combination of people and corporate sponsorship is what makes the Birmingham District AFS Chapter number ONE... and the envy of all the other chapters!

You won't want to miss any other gatherings this year so be sure to mark your calendar for Monday, September 10th, as Brian has planned a fantastic meeting in Anniston to kick-off our yearly schedule of meetings! He has set the bar high for the year with top of the line speakers and fascinating, relevant, current topics... you won't want to miss a single meeting!

We've got a lot planned for the year - the *foundry in a box* program, hosting a CMI course later in the year, working with the four student chapters programs (UAB, UA, AU and MSU) and of course our technical meetings, our Christmas extravaganza and the national AFS equipment Castexpo and Casting Congress in Atlanta next May.

On behalf of the officers and board of directors – Welcome, one and all, to our 2007 – 2008 Birmingham District AFS Year. We look forward to seeing each of you throughout the year as we continue the tradition of education, growth, fellowship, citizenship and the rich history of success the chapter is known for!

Kevin Crawford
Chairman

Report From the Chapter Officers Conference

Mark Cotton and John Kersh represented the Birmingham Chapter in Cicago at the Chapter Officers Conference.

The 64th Annual AFS Chapter Officers Conference in Chicago, IL was headlined by Mr. Dwight Barnhard, President of Superior Aluminum Castings, Inc. 61 chapter officers were aligned into teams to focus on: CREATIVE APPROACHES TO BUILDING ATTENDANCE . Dwight's message to the teams was to think about the problem in new ways and encouraged fresh, uncommon approaches for potential solutions. This exercise generated numerous discussions about unconventional methods to drive new members and their involvement at the local AFS Chapters.

Al Lucchetti, AFS President, underscored the Membership Drive of AFS: 10% of the North American Foundry Industry, equivalent to 20,000 members by June 30, 2010. At approximately 9,000 members today, it will be a significant achievement to add 11,000 new members.
