## August 2008

### From the CHAPTER CHAIRMAN...

Greetings All,

I would like to start off this year by thanking all of you for your continued support and participation in AFS Birmingham. It is because of you that we are the second largest chapter in the nation, and while our numbers are second, our members are absolutely the best. I look forward to an exciting year full of opportunities to again demonstrate that we are the best local chapter.

This fall we will have the picnic and traveling meeting and in the spring we are hosting the Southeast Regional and presenting an all new format for student night. We also look forward to seeing the “foundry-in-a-box” demonstration and then taking it to local schools to help generate interest in the foundry industry. Of course none of this is possible without the generous donations provided by our sponsors and we thank them for their continued support. The majority of our corporate sponsors contribute annually to our fundraising campaign and year after year encourage their employees to participate in AFS Birmingham. It is this level of commitment that allows us to have our regular meetings at the Wynfrey Hotel, host CMI courses, provide scholarships, and support three of the finest AFS student chapters.

Our first event this year will again be the Ben Dunning Picnic and Golf Outing on August 23, at Mountain View Golf Course. This is always an exciting time to catch-up and see friends you haven’t seen in a while. This year, it will also be your best opportunity to express support of the student chapters from Alabama, UAB, and Mississippi State. In addition to the Mulligan sales, the proceeds from the raffle and half of the tee-box ad sales will be divided between the three chapters. The fundraising efforts at the picnic are intended to ensure each chapter receives the same financial support they would have received under the previous format. In addition to this is a new approach for the golf tournament, there will be a student night in the spring that will showcase all three student chapters that we support.

Thank you and I hope to see you all at the picnic August 23rd.

Brian Floyd  
Chairman
