## From the Desk of the Chapter Chairman...

Hello Birmingham Chapter!

If you didn't brave the storms for the October meeting, you really missed out! We started out with an excellent mini-seminar on heat treating and ended with a great message on OSHA regulations by Wayne Jackson from the Alabama Technology Network. The evening proved to be very educational for all! If you missed it, I hope to see you at the next meeting scheduled for November 3rd. We have a great program planned on Additive Manufacturing and 3D Printing.

The November meeting will begin with a mini-seminar on the topic of Additive Manufacturing in the afternoon. The cost will once again be \$40, but will cover the cost of dinner. This is an excellent way to get those CEU's and professional hours in before 2015!

The 2015 Southeastern Regional plans are well underway. It is scheduled for April 8<sup>th</sup> – 10<sup>th</sup> at the beautiful Ross Bridge Resort. There will be a golf tournament held at the Ross Bridge course. Look out for early registration details for a discount on golf!

Don't forget that Christmas is fast approaching as well. Rick Walsh has a fun time in store for the party!

I look forward to seeing you all at the November Meeting!

*Molly Cameron*
