From the Desk of the Chapter Chairman...

I hope everyone is enjoying their summer with friends and more importantly family!

On behalf of the Officers and Board of Directors, I would like to welcome everyone back for the 2016-2017 Birmingham Chapter year. The directors and Committee Chairmen have already been diligently working on plans for this year.

Our year kicks off with the annual Ben Dunning Picnic and Golf outing on August 27th. The golf outing will be held again at Oxmoor Valley which is part of the Robert Trent Jones Golf Trail. John Boyd, Tommy Horton and Jon Pollard are busy making sure that things go as smoothly as in the past. Please register as soon as possible because there are a maximum number of golfers that will be allowed.

Jon Pollard is getting the speakers lined up for a great year of technical presentations. Jon has some exciting new ideas that I believe is going to make this a great year. Please mark your calendar and make every effort to be there. Your presence and support is very important to the success of your Chapter!

Mike Murphy did an excellent job last year of coordinating the mini-seminar and I have asked him to head this up again this year. We plan to have 2-3 seminars this year that we believe will be beneficial to our members.

A special thanks to all our financial contributors. Without you we could not sponsor Foundry in a Box, college chapter support, educational opportunities, college scholarships and etc..

I am excited about serving this year as your Chairman!

Bill Bush
